LOCAL RULES:

1. OUT OF BOUNDS
- Beyond any residential property and boundary fences/electric fence.
- Areas defined by white stakes, including tarred road leading to the main gate.
- The bowling greens, car park & tennis courts.
- Stroke and Distance relief option where the ball last crossed the out of bounds line, does not apply. If a ball is hit out of bounds, the shot is to be replayed from its last position with a one stroke penalty.

2. PREFERRED LIES
- Placing is not allowed. The ball is to be played as it lies.

3. PENALTY AREAS
- Yellow Penalty Areas are defined by yellow stakes.
- Red Penalty Areas are defined by red stakes.

4. ROADS & OTHER OBSTRUCTIONS
- A ball coming to rest on any roadway, track, pathway, or in any tractor tyre marks may be lifted and dropped without penalty within the relief area from the nearest reference point, not nearer the hole.
- Any stone wall and bridges, which lie outside the margin of the penalty area which they cross, are immovable obstructions.
- If a player's ball lies on the course and the electric boundary fence interferes with the player's stroke, a player may, without penalty, get free relief using a reference point that is two club-lengths from the fence and an equal distance from the hole.

5. GROUND UNDER REPAIR
- All areas under repair will be demarcated with white paint.

6. GENERAL
- Please repair all divots and pitch marks.
- Free relief is allowed when a ball is embedded in the general area.
- Carts to be parked on cart paths and not driven or parked next to the green or fringe.
- It is your responsibility to keep up with the players ahead of you at all times.
- A maximum of 10 minutes is allowed for halfway house.
- Consult the notice board for additional local rules.

7. DISTANCES
- All distances are measured in metres. Distance markers on the tees are measured to the centre of the green (incl. par 3's). Fairway markers are measured to the front of the green. Add/subtract distance to the flag from the pin sheet provided.

8. ALCOHOL CONSUMPTION
As per the Kwazulu-Natal Liquor Licensing Act, 2010 (Act No. 06 of 2010), the consumption of alcohol on the golf course is prohibited.

9. PROCEDURES FOR BAD WEATHER
A suspension of play for a dangerous situation will be at the player's own discretion.
